

Countries to which international payments cannot be made

As a result of the international sanctions and in connection with the terms and conditions of our correspondent banks, restrictions on making international payments to countries mentioned may occur. Financiere Privee Jean de Montpellier & Cie Limited does not recommend you to make payments to the following countries, without consulting Bank in advance. Otherwise payments can be blocked. Blocked payments cannot be cancelled or changed.

Established restrictions can change in time and vary depending on the country and currency.

You can consult with Bank by e-mail info@banquemontpellier.com
